

Despite Ironbridge being the birthplace of the industrial revolution, it is now increasingly becoming a more sustainable destination with it hosts growing commitment to reducing their impact upon the local environment. You are invited to enjoy a relaxing break of culture, history and natural beauty in this wonderful World Heritage Site. Best Western Valley Hotel, Greenwood Centre and Ironbridge Gorge Museum Trust have all achieved award status with the Green Tourism Business Scheme, assuring you of 'Greener' stay.

Once in the Gorge, travel between the hotel, museums and attractions on foot, by bike or public transport. Less than 10 minutes walk from the hotel is world famous Ironbridge itself.
